Elections for Michiana Division Board of Director positions.

The May Division Membership Meeting will include the election of 2 people to the Division Board of Directors. We have 2 incumbents who are willing and able to continue; however the Division is soliciting for other candidates who are interested in serving the Division. Contact Jim Temple for more information at jngtemple@yahoo.com or 269-240-4643. BOD elections are held during the membership meeting.

Your Division needs members to work with our Board Directors helping with their areas of responsibility. Look for more information in future issues of the FORM-19 Newsletter about serving on Division Committees. Please consider volunteering your expertise.
